Who we are

Rogue Cheer Athletics, established in the fall of 2020, ignites the spirit of competition, blazing a trail of excellence in the heart of Southern Oregon. Committed to an unwavering mission to cultivate personal growth, foster athletic excellence, with faith-based values as its guiding light, Rogue embodies a passion that knows no bounds. Join us as we embark on a journey fueled by dedication, teamwork, and an unyielding determination to reach new heights in the world of competitive cheerleading.

What we do

Rogue specializes in offering a wide range of competitive cheerleading opportunities and first-rate tumbling classes for athletes ranging from pre-kindergarten to 12th grade. With our exceptional lineup of seven Rogue teams - Tiny Rascals, Mini Buckaroos, Youth Rebels, Youth Mavericks, Junior Bandits, Senior Fugitives, and Senior Renegades - we ensure a thrilling and rewarding experience for all our athletes. Throughout the year, we conduct classes and practices, with the peak competition season taking place from October to April. We are proud to have over 90 talented cheerleaders from various parts of the Rogue Valley and Klamath Falls participating in the 2024-2025 competitive cheerleading season. Join us at Rogue and let us help you unleash your full potential!

The Senior and Junior team athletes of Rogue Cheer Athletics are seeking sponsorships from businesses in Southern Oregon and beyond! With their sights set on the upcoming Nationals competition in Vegas for all three teams, as well as Southern

California for the Senior teams, they are determined to raise funding to make their dreams a reality. Your support will greatly contribute to their success on the competition mat and provide them with valuable opportunities to showcase their skills on a national level, not just once but TWICE this season. Join us in empowering these incredible athletes as they represent our community with pride

Rogue Cheer Athletics understands the financial challenges that cheer families face, which is why we prioritize keeping our monthly tuition as low as possible. Our aim is to make competitive cheerleading accessible and affordable for everyone. We also empathize with those who may be experiencing hardship during these tough economic times. To support such individuals, we offer scholarship opportunities. Our goal is to ensure that financial difficulties do not hinder anyone from participating in cheer.
