

# Rogue Cheer Athletics: Pay It Forward Scholarship (PIFS) Agreement

## Program Overview

The Pay It Forward Scholarship (PIFS) is a reciprocal partnership designed to ensure that competitive cheerleading remains accessible while fostering a culture of community and mutual support. At Rogue Athletics, we believe in the power of the "team" extending beyond the blue mats. This scholarship is not a hand-out, but a "hand-in"—an opportunity for families to invest their unique skills, time, and resources into the gym in exchange for a reduction in tuition.

## Tuition Credit Details

- **Monthly PIFS Discount:** 35% off the total monthly tuition balance.
  - **Scope:** This discount applies to the athlete's entire monthly tuition, including fees for participation on multiple teams or specialized training tracks.
- 

## The "Pay It Forward" Service Exchange

### Primary Focus: Facility Stewardship (Cleaning)

The cleanliness and safety of our facility are our top priorities. As the owner currently handles all operations and maintenance, the primary way families can "Pay It Forward" is by joining our **Facility Stewardship Team**. This role involves dedicated shifts focused on mat sanitation, equipment safety checks, and maintaining a professional environment for our athletes. Reliability in this role is the backbone of our gym's daily operations.

### Secondary Focus: Diverse Support & Innovation

While facility maintenance is our greatest need, we recognize that our parents possess a wide array of specialized talents. If cleaning roles are full, or if you have a unique professional skill, trade, or resource that could significantly benefit Rogue Athletics, we encourage you to propose a **Diverse Support** plan.

We put the ball in your court: How can your family's unique strengths help our gym grow or relieve the operational burden on our staff? This could include:

- **Professional Services:** Accounting, marketing, legal, or graphic design.
- **Specialized Trades:** Photography, carpentry, equipment repair etc.
- **Staff Support:** Meal prepping for long camp weekends, administrative assistance, or errands.
- **Resource Access:** Specialized equipment, printing services, or local sponsorship connections.

# Mandatory Digital Advocacy

As part of the PIFS partnership, we ask our scholarship families to be active advocates for our community. **To finalize the activation of the PIFS credit, a member of the household must write an Google Review for Rogue Athletics.** Your positive feedback helps our gym grow and allows us to continue offering programs like this one.
