BUILDING CHAMPIONS IN SPORT, CHARACTER, AND LIFE

More Than Competitive Cheerleading

Rogue Cheer Athletics is entering its seventh season of serving athletes and families throughout Southern Oregon.

While our athletes have earned national championships, grand champion titles, prestigious bids, and top placements against some of the best teams in the country, our greatest accomplishment has always been the community we have built.

Every week, athletes from across the Rogue Valley come together to train, grow, and belong. For many of our athletes, Rogue has become much more than a gym—it has become a second home. It is often described by athletes, coaches, and parents as their “happy place.”

At Rogue, we believe success is measured by more than trophies. Our mission is to develop young people of character, integrity, resilience, leadership, and strong work ethic. Through positive mentorship, accountability, and teamwork, our athletes gain skills that will serve them for the rest of their lives.

As a ministry-based organization, our coaches volunteer countless hours because we believe every child deserves the opportunity to participate, regardless of financial circumstances.

SEASON 7 GROWTH

The impact of Rogue Cheer Athletics continues to grow throughout the Rogue Valley. As we enter Season 7, we are experiencing unprecedented growth as more families seek the positive community, mentorship, and opportunities our gym provides. This growth reflects the trust families place in Rogue and our commitment to making competitive cheer accessible to athletes from all backgrounds.

ON THE ROAD...

This season, Rogue Cheer Athletics athletes will have the opportunity to travel throughout the West Coast and beyond, competing against some of the top programs in the nation. These experiences allow our athletes to build confidence, create lifelong memories, strengthen teamwork, and proudly represent the Rogue Valley on regional and national stages.

Your sponsorship helps offset the costs of competition entry fees, travel expenses, uniforms, training equipment, and scholarships, allowing more athletes to participate and thrive in the sport they love.

"Rogue Cheer Athletics experienced a 200% increase in senior athlete enrollment from Season 6 to Season 7, reflecting the growing impact of our program throughout the Rogue Valley."
